In accordance with the call of Chairmen Coleman and Smith, there will be a mass meeting of the Democracy of Shelby county to-morrow morning at 11 o'clock at the Greenlaw Operahouse to take such action as may be deemed advisable. The delegates chosen last Saturday to go to Nashville are amenable to the instructions and the action of this meeting. This was distinctly stated in the first call, and no one could accept the position of delegate without accepting the conditions named in the original call. It was first intended to have the meeting at the courthouse; but the room is too small for the purpose of a general meeting, and therefore the place has been changed to the Greenlaw Operahouse. It is intimated that a few of low tax men will endeavor, toindorsing the 60-3-4-5 and 6. We might as well face this issue right on the threshold. MAJOR MIKE WALDRON

Acquitted, Without the Jury Leaving the Box.

A piece of petty and disgraceful persecution has come to an end. It may be remembered that Major Mike Waldron was indicted in the Federal Court, some time last fall, on the charge that he had offered for a consideration to procure a mail contract from Donaldson to the mouth of Red river. He was down in Florida at the time, and came home full of malaria and very sick. For months his life who sought to be elected at the hands his bond voluntarily, and nobody athung by a thread. There was nothing in the case, the Judge so instructed, and the jury returned a verdict of not guilty without leaving the box. Thus another ridiculous, if not malicious, prosecution falls to the ground; but this is a poor compensation to a man who has been put to expense and an all this time.
